3. **The Experience:** You lie comfortably on the amethyst mat while I guide you through vibrational therapy.
4. **Integration:** Gentle return to awareness, optional tea ceremony, and guidance on integrating the healing into your daily life.

## Real Healing Stories

---

*At 84 years old with arthritis, I was skeptical. After one session with Brotha Curtis, I felt more relief and openness than I've experienced in years. The convenience of healing in my own home made all the difference.*

— Elder Family Member

*The combination of the amethyst mat and Curtis's vibrational therapy created an experience I've never had before. I sleep better, have more energy, and feel truly grounded for the first time in my life.*
